

Epic Convention Information

Here is the information that Epic has asked us to pass along!

-Attached you will find the schedule. Please note that there are several different start and end times depending on the age group. Dancers will need to arrive at their assigned time only (unless they are siblings that need to be dropped off together).

-Parents will drop off/pick up their dancer at the main entrance. Only dancers and directors/teachers will be able to go inside. If parents are staying at the hotel they will drop off/pick up their kids at the entrance as well. Those parents will not be able to hang out near the convention space.

- Studio Directors will pass out wristbands to students outside the convention center.

-Follow our instagram @epicdancedrillcheer so you can see pictures, videos, and live stream here and there throughout the weekend. We will have a live feed going during each groups scholarship presentation (refer to the schedule for times). There will not be a parent showcase.

-Parents and dancers are welcome to buy Epic Gear outside in our store on Friday from 2-5pm, and Saturday from 11-4.

NOTE:

Our studio needs parent chaperones! We need one for the Minis group & one for the elementary group.

- Minis (5&6 Year Old Dancers)
- Elementary (7 & 8 Year Old Dancers)

These parents would need to arrive on Friday and attend a meeting at 2:00 p.m. They would need to stay with their assigned group for the entire convention!

If you are interested in helping, please email me.

Thank you,
Megan
