

Terms and Policies 2021 - 2022

I understand that risks are involved in physical activities such as dance and tumbling that may result in serious injuries or death. I hereby release United Dance Center LLC and all staff members and officials from any claims of damages or injury suffered by the registered student in connection with or by their association with United Dance Center LLC. This includes my heirs who may act in our behalf.

I give my permission to use photos of my student online (for the website, Facebook, etc) or in an advertisement.

Tuition:
I understand that tuition is determined on an annual basis and is not pro-rated monthly. Some months have more classes than others due to holidays, extra practices, longer/ shorter months, etc. There are no classes held on days that there is no school (based off of the Alpine School District Calendar.) The only exception is for the following days: 01/17/22, 02/21/22, 03/14/22. We will hold classes on these Mondays, as we are in the middle of Competition Season.

I understand that tuition is not discounted if class is missed and make up classes are not offered.

I understand that tuition is due on or before the 1st day of each month and a \$10 late fee will be assessed for all payments made after the seventh of the month.

I understand that no refunds are given for any reason. I understand that tuition is not lowered if classes are unattended no matter the reason. I also understand that if tuition is more than 45 days late the student will not be able to participate in class.

I understand that all balances on my account must be paid in full before receiving any costumes or performing. I understand that if my account goes 90 days past due, it will be sent to collections.

I understand that a registration fee of \$35 for one dancer is due within one week of registration or a \$55 fee is due for a family. No registration fee is due for summer camps.

I understand that if I choose to pay with a debit or credit card through the online portal, a \$2.25 card fee is charged per transaction.

Class Attendance:
Consistent class attendance is extremely important. One student's absence effects the entire class of students, therefore all dancers are expected to come to class each week on time. Students are expected to commit to the class they are registered in for the entire school year. If your student must miss class we ask that you let us know ahead of time. We do not have make up classes for students and tuition will not be discounted for missed classes.

Withdrawal Policy:
If a student needs to withdrawal from a class, his or her parent must submit a withdrawal note in writing to United Dance Center LLC. Monthly tuition is charged on the 1st of each month. Parents must submit a withdrawal request prior to the 1st of the upcoming month. Verbal withdrawal notices or text messages will not be accepted. Refunds are not given to those who choose to pre pay for the school year.
